

# Collaboration of the Arts

Presented by Creative Ideas

Potential Friend:

Collaboration of the Arts is an evening event that was launched in 2007 at the River Market. It's a vision designed to reach our community through the arts. The event features various works of art from writers, sculptors, painters, dancers and musicians who come together to create a "Collaboration of the Arts" from a spiritual perspective. The mission of this project is to be a beacon to our city and state by establishing a setting for various artists to freely express their gifts and talents in unison.

This project instills wholesome family values as it showcases children's art of various mediums. The showcased art is the product of a student art contest offered to any student in the state of Arkansas K-12.

An event of this magnitude needs the financial support from corporate sponsors and individual businesses. We are asking you today to commit to becoming a friend of this exciting project. Benefits for becoming a Friend of the Collaboration of the Arts:

- Tax deduction
- Special invitation to preview events
- Issues of our newsletter
- 10% discount off purchases from participating artists
- Recognition at the event

We trust you will consider supporting this collaboration by becoming a Friend of the Collaboration of the Arts. Your sponsorship will enrich many lives in our community and state! Please make your check payable to Creative Ideas, and mail it with the enclosed form to the below address.
